Still going well, great for spreading information. Facebook now has 412 'likes' and Twitter has 223 followers.

2. Horgabost Marine Project

The first LEADER grant claim (for the pontoon) was paid in on 14 November. Ground work on the shed began in October. The shed has been ordered from Shufflebottom and Murdo Macleod has been awarded the contract to erect the shed. The shed is meant to arrive mid-December and will be up by the end of January.

I will also be asking the older residents about how they think their social lives in WH could be improved, with the view to incorporate feasible ideas into the Rubha Romagaidh building (eg. Lunch club)
