

Friends of West Harris Membership Form

West Harris is a special place for many who have visited the area or who have a historical family link. We have therefore founded Friends of West Harris to enable those with an interest to work with us to build a sustainable community, capable of taking care of this beautiful place for generations to come.

By becoming a friend your subscription will enable activities and projects to take place that would otherwise not be achievable. As well as supporting a sustainable future you will receive regular newsletters and invitations to special community events.

I would like to become a friend of West Harris.
