

West Harris Crofting Trust Register of Interests

To ensure the directors of West Harris Crofting Trust carry out their duties in an accountable and open manner all:

- **Directorships held in private or public limited companies**
- **Croft tenancies and memberships of croft townships**
- **Ownership of, or majority interest in companies and other organisations likely to do business with the Trust**
- **Positions of authority in an organisation contracting for Trust services.**

Should be recorded and noted in the attached register.

When an item is discussed at a directors meeting any director having a possible interest should note that interest and if considered appropriate by the Chair should leave the room while that item is being discussed.

The interest should be recorded in the minute.
